Mr. Cornelison and Mrs. Leona Enmin, Clerk of the Board, look over the agenda for the evening.

The Edmond Board of Education is one of the most diligent and conscientious civic bodies of our community. Many hours of planning are spent in preparation for the incoming year's activities as well as in long range planning for the over all school program. At the present time one of the most immediate tasks is the addition of class rooms at the new highschool to accommodate the freshman class.

# Dedication

This year the annual staff has departed from its usual practice of dedicating the annual to a group or to an abstract ideal, to pay tribute to one of the outstanding men in the field of education.

We, the Students of Edmond High School, in appreciation of the time, which cannot be measured in hours, and of the effort Mr. Ferguson has given to help further our education, do dedicate the "1959 BULLDOG."

Mr. Ferguson and his first grand daughter, Kimberley Jones.

At their regular meetings on Tuesday at 12:30, the members of the Student Council undertook several projects this year. They played Santa Clause to needy children in Edmond and were quite rewarded by the children's smiles. They sponsored the formal Sweetheart Ball at which Donna Smith and Kim Veters were elected E.H.S. sweethearts. Later on in the year they held Career Day which was instrumental to many students in choosing their future careers.

President Ace Ethridge, Kay Sullins, Tommy Tindall, Marcy Jones, and their sponsor Mrs. Freda Spearman attended the State Student Council Convention at Bartlesville and brought home many helpful ideas.

## Bulldog

"The following will please meet after school for annual work" was an announcement heard almost every afternoon at EHS. However, the hours spent after school are only a part of the many hours that went into the making of the Bulldog. With the help of their sponsor, Miss

Lelia Hall, and co-editors Glenna Wester and Ann Tatum, the members of the staff labored earnestly preparing layouts, having pictures taken, pasting pictures on the master sheets and writing the copy.

## Barker

Yes, the BARKER staff is sure that 13 is their lucky number. That is the length of time Miss Mary Mahood has been sponsor of this outstanding publication.

This year the BARKER received the "With High-

est Honors" award at the OIPA conference at O.U.

The goal of the paper is to be informative and entertaining as well as to serve as a media of coordination in student activities.

## F. T. A.

The Future Teachers of America is in its fourth year at Edmond High. Its purpose is to interest juniors and seniors in the profession of teaching. In April the club received much publicity from its reception honoring retired teachers. The students decorated tables for the District Teachers' Meetings held at the high school. A bake sale succeeded in raising funds to give their fifty dollar scholarship again this year.

The FHA girls had a full year carrying out their four objectives which are: to promote better family living, to help members understand the opportunities open to them in Home Economics, to understand our neighbors both at home and abroad, and to provide training for each chapter member for participation in home, school, and community activities. This is one of the newer clubs, as this is only their second year. Mrs. Milburn sponsored the club and they attained more knowledge by going to State and District Rallies.

## Bookworms

The Book Worms are making themselves a wonderful group of people to know. The Librarians unite to serve courteously, cheerfully, and efficiently all students and teachers of EHS. They are chosen on the following standards: High ideals, superior scholarship, efficiency, courtesy, accuracy, and a pleasing personality. They have been very busy during the year. Two outstanding features were their installation banquet and attending the state meeting. They are also very proud of their member, Rayner Taylor, who was elected state president of Oklahoma Student Library Assistants.

## Junior Red Cross

The Junior Red Cross is a service club serving our building and, through special projects, our community. The annual membership drive provides funds for county membership and service expenses. Regularly it supplies our Junior Red Cross room, and on special occasions, it has remembered the hospitals and homes for the aged with flowers and favors. It has helped several needy families with food baskets. The group, under the supervision of Miss Colleen Kivlehen, has made this one of their most active and successful years.

## Latin Club

The Junior Classical League is one of the few groups in our high school which is a member of a national organization. The purpose of this club, both nationally and locally, is to acknowledge interest in and appreciation of Latin. Our JCL one of some fifteen chapters in Oklahoma, has as its officers this year, Pike Reynolds, consul; Ruth Mary Guest, pro consul; Kay Sullins, scribe; Nova Jean Vick, quaestor; Carolyn Talley, nuntia; and Marcy Jones, Student Council Representative. We attend the state convention held annually at the University of Oklahoma and our chapter, along with parents and other guests, go once a year to a restaurant serving Italian food. Our regular meetings are held each month. Various legends from mythology and special reports along with games and refreshments are enjoyed in our meetings. A few times a year we have a guest speaker and interesting films. The JCL colors are Roman purple and gold. The pin's emblem is the laurel wreath and the torch of classical civilization.

## Spanish Club

El Club De Espanol, The Spanish Club, is organized for the purpose of promoting interest in Spanish. The members consist of those enrolled in Spanish, and meetings are monthly. The club's colors are red, white and green. One of the highlights of the year is going, with our parents and guests, to a restau-

rant where Mexican food is served, This year our officers are: President, Bill Hambrick; Vice-President, Helen Stinnett; Secretary, Becky Hawkins; Treasurer, Fred Snyder; and Reporter, Linda Stewart. Miss Colleen Kivlehen is the sponsor.

## N. F. L.

The National Forensic League is an honorary national organization of contest speech students. Each time a speech is made, either in contest or before civic or church groups, points are earned. A total of 20 points entitles you to membership. The National Forensic League holds the national tournament, which consists of state winners, and a district contest which directly qualifies one for nationals.

## Debate

"Resolved: That the United States should adopt the essential features of the British system of education" was the question debated by EHS debaters this year. Apparently, they were well informed on the issue as they took third place at Muskogee Little Nationals and second at Midland Conference. During the summer Randy Nichols and David Smith attended a debate institute at Norman and won the tournament which terminated the conference.

## Thespians

At their regular meetings the members of Thespians discussed certain aspects of drama and were sometimes entertained by guest speakers. To be a member of this honorary dramatic fraternity, one must earn ten points either in acting or production work. This year the Thespians attended the Mummer plays, "The Corn Is Green," and "The Country Girl," and the college productions, "Oedipus Rex" and "The Diary of Anne Frank."

## Science and Photography Club

Epsilon Sigma Gamma, or formerly the Science Club, this year became officially the Science and Photography Club. As is inferred in its name, it is an organization to promote interest in photography and science. Under the leadership of its sponsor, Mr. Kirk Rice, the club has sponsored several activities. These included a photography contest at the first of the year, a tour through a brick factory and a mortuary, and the "International Geophysical Year Reports to Youth" in Oklahoma City in April.

Randy Nichols, president, Sharon Easley, Ruth Mary Guess, Sue Hall, David Smith, Dennis Spence, Sue King, Becky Collins, Francis Delay, Mina Twibell, Pike Reynolds, Ted Hartman, Rita Metcalf, Homer Piatt, Bill Farley, James Port, and Mr. Rice, sponsor.

## Lettermen's Club

This year the Lettermen's Club sponsored an alumni- varsity basketball game and ran the concession stand at the CSC Basketball Tournament. The club's objectives are: to better relationships between different athletic groups, to promote better school spirit, to further interest in athletic events, and to create desire to further athletics in EHS. ## F. F. A.

The Future Farmers of America started the year off with a bang by entering the Oklahoma County Fair at which they received the honor of having the Grand Champion lamb. After more preparation, they entered the Oklahoma State Fair at which they received various placings including the Champion Hereford Heifer. In January, the FFA chapter went to Fort Worth, Texas and exhibited six sheep of which four placed.

For their money making project this year, these future tillers of the soil sponsored a chuck wagon dinner. The money raised was used as the premium money at the County fair.

During this year a new livestock building was erected for the purpose of housing the Oklahoma County Junior Livestock show. A banquet held at the end of the year was the crowning touch to the chapter's very successful year.

Showing off their Hampshire Weather lambs after receiving top awards at the Oklahoma County Jr. Livestock Show are these FFA boys: first place, Bill Critton; second place, Bob Brentlinger; third place, John Wilson; and fourth place, Greg Combs.

The EHS Band has always been outstanding and this year's 60-piece band is no exception. It has received superior ratings at the Central State College Music Festival, the Ft. Smith Bi-State Contest and the District Contest at OCU. The latter qualified them to attend the State Contest at OSU.

Cleon Chase and Dorothy Bates proved themselves as talented musicians by being selected to the All State Band, the highest honor which can be given to a high-school bandsman.

Barbara Reynolds was elected Band Queen for the year 1958-1959. She was attended by Virginia Burdick and Barbara Enterline. Bob Chastain was Drum Major for his first year. Bob and Barbara gave the band much to be proud of.

## Bow Wows

ASSISTANTS: Jeanette Nutt, Darlene Barnhart, Kay Sullins.

If you happened to be in the school on any Monday at 3:10, you probably heard a lot of cheering and yelling. If you investigated further, you were sure to find the peppiest group in EHS practicing their yells. The Bow Wows have really had quite an eventful year. As usual, they were in charge of the concession stands at most sports events which enabled them to earn enough money to buy lettermen's jackets for boys who lettered during the year.

They worked hard to plan each of the coronations and came up with the following themes: Football, Autumn Leaves; Wrestling, Winter Wonderland; Basketball, I'm Always Chasing Rainbows.

This year the Bow Wows undertook the task of rewriting their constitution, and after much hard labor brought forth their "Masterpiece."

Leading the school in a yell are these cheerleaders: Sue Lowery, Sharon Hamilton, Betty Nay, Judy Akright, Mary Cherry, Courtney Risner.

Presenting Kim Vettters with his letterman's jacket is Jane Bridges, President, while Mrs. Mildred Durham, Sponsor, Carolyn Talley, Loretta White, and Mrs. Zelma Faulkner, Sponsor, look on.

## Chorus

One of the most active groups in EHS is the chorus. The Thanksgiving Festival at OSU in November, the Central State Contest, and the District Contest at OCU were the main functions.

Carolyn Hart received a superior rating at District.

The chorus works very hard to present two programs each year, one at Christmas and their beautiful Spring Concert.

## Football

The Bulldog spirit of determination was evident throughout the season. Led by four all-conference, all-district players, they gave many of the larger schools stiff competition. The boys feel that their hardest fought game was with Putnam City. There was a large number of boys who went out for football this year, many of whom were sophomores and juniors. This rounded out a well-balanced team of good sports and well-mannered boys.

## Wrestling

This year one of the finest wrestling teams Edmond has ever produced brought many honors to EHS. Hampered by a few injuries, the EHS grapplers managed to win the Perry Festival, the Geary Tournament, the Regional Tournament, and were runnersup in the State Tournament. Edmond's only state champion was 115 pounder Joe Blair, who also captured the title of most outstanding wrestler at the State Tournament. Others who placed in the State Tournament were Art Terry, Jack Pinkley, and Sherrill Sageser. Coach Ted Anderson looks forward to another successful season next year but will be sorry to lose the many seniors on the team.

This is the year the seniors have been looking forward to for twelve years—graduation. Soon that will be behind them, and they will be looking to the future with hope and gladness.

Some of the many senior activities were the Junior-Senior Prom; the Senior Play, which was "Twelve Angry Women," a senior party, and of course Senior Night and Graduation.

So it is with a year of fun behind them, that the seniors end their high school days.

This year's senior class had approximately 110 members.

The Senior Class Officers: President, Tommy Tindall; Vice-President, Jim Thompson; and Secretary-Treasurer, Sharon Fugate take time out to rest on the beautiful side entrance.

Here the Junior Sponsors, Mr. Chester Barnett, Miss Lelia Hall, Miss Colleen Kivlehen, and Mr. Jack Shaw are looking at the calendar for a date for the Junior-Senior Prom.

The Juniors spend a good deal of their time and effort working to raise money for the Junior-Senior Prom, which took place on May 2.

Their projects for the year were the Junior Play, "Mr. Angel," and the concession stands at the Regional Wrestling Tournament.

The red-letter day for the Juniors was the day that they received their class rings.

# Sophomores

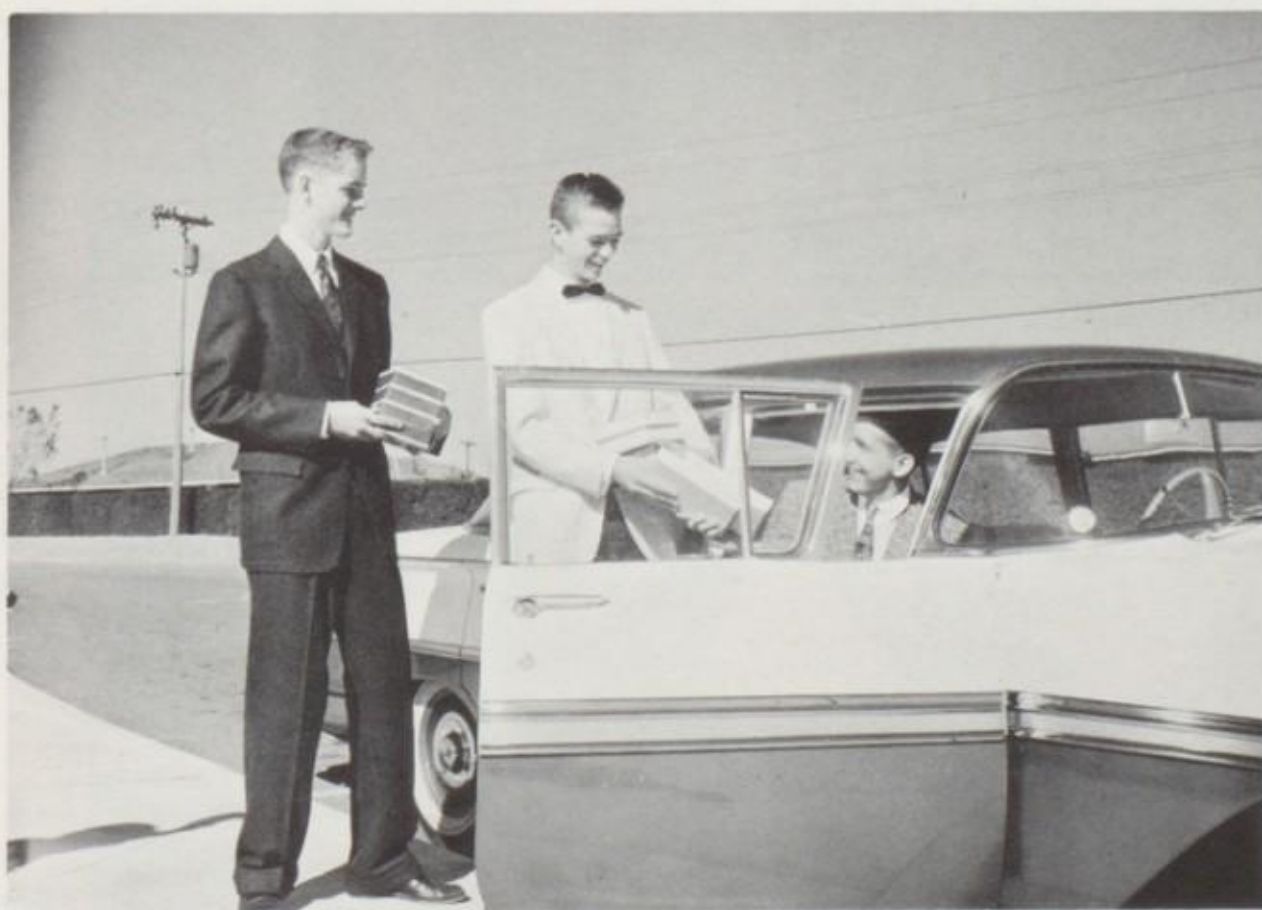

Mrs. Donna Millburn, Miss Mary Mahood, Mr. Kirk Rice Mr. Joe Webb, not pictured

The year 1958-1959 will long be remembered by the members of the sophomore class for it was the beginning of a new phase of life for them. It marked the beginning of the many happy days that will be spent in the halls, and classrooms of their new building.

The girls of the class made a good beginning by winning the girls' intramural basketball and volley ball championships. During the Christmas season the class conducted the annual Christmas card sale to obtain funds for the Junior-Senior Prom and Banquet which will some day be their responsibility.

Yes, the year 1958-1959 will indeed be recalled by sophomores as the starting point for finding new academic opportunities and achievements, making new friends, and enjoying highschool activities. All 160 of them look forward to two more years within the walls of EHS.

Getting ready to work on the Sophomore Class project of selling Christmas Cards are the class officers: President, Milton Heflin; Vice-President, George Schreiber; and Secretary-Treasurer, Jim Moss.

## MAROON AND GRAY

We loyal are to the colors true;

Oh, Maroon and Gray, we pledge to you;

Our Bulldog spirit will gain its height

From pride in courage, pride in right.

We'll fight, fight on with our banner high

Symbol of our school, our dear Edmond High

We'll march ahead to that vict'ry day

Led on by our Maroon and our Gray.

*"Our yesterdays follow us"*
